Polite Reminders

Student Data Check Report

Please could we remind parents/carers, to return the signed and checked Data Sheets to the School Office. Thank you in advance.

Parking

We would like to ask for your help regarding parking outside our school premises. It has come to our attention again, that some parents have been parking inconsiderately, blocking the access of local residents. We understand that finding a suitable parking spot during drop-off and pick-up times can be challenging; however, it is crucial that we show consideration for our community. Blocking residents' driveways and access routes is not only inconvenient for them but also reflects poorly on the reputation of our school. Thank you for your continued help.
